The Ice Swan J'nell Ciesielski 2021-07-06 Amid the violent last days of the glittering Russian monarchy, a princess on the run finds her heart where she least expects it. 1917, Petrograd. Fleeing the murderous flames of the Russian Revolution, Princess Svetlana Dalsky hopes to find safety in Paris with her mother and sister. But the city is buckling under the weight of the Great War, and the Bolsheviks will not rest until they have erased every Russian aristocrat from memory. Svetlana and her family are forced into hiding in Paris's underbelly, with little to their name but the jewels they sewed into their corsets before their terrifying escape. Born the second son of a Scottish duke, the only title Wynn MacCallan cares for is that of surgeon. Putting his talents with a scalpel to good use in the hospitals in Paris, Wynn pushes the boundaries of medical science to give his patients the best care possible. After treating Svetlana for a minor injury, he is pulled into a world of decaying imperial glitter. Intrigued by this mysterious, cold, and beautiful woman, Wynn follows Svetlana to an underground Russian club where drink, dance, and questionable dealings collide on bubbles of vodka. Out of money and options, Svetlana agrees to a marriage of convenience with the handsome and brilliant Wynn, who will protect her and pay off her family's debts. It's the right thing for a good man to do, but Wynn

cannot help hoping the marriage will turn into one of true affection. When Wynn's life takes an unexpected turn, so does Svetlana's—and soon Paris becomes as dangerous as Petrograd. And as the Bolsheviks chase them to Scotland, Wynn and Svetlana begin to wonder if they will ever be able to outrun the love they are beginning to feel for one another. Women Writing War Katharina von Hammerstein 2018-08-06 Recent scholarship has broadened definitions of war and shifted from the narrow focus on battles and power struggles to include narratives of the homefront and private sphere. To expand scholarship on textual representations of war means to shed light on the multiple theaters of war, and on the many voices who contributed to, were affected by, and/or critiqued German war efforts. Engaged women writers and artists commented on their nations' imperial and colonial ambitions and the events of the tumultuous beginning of the twentieth century. In an interdisciplinary investigation, this volume explores select female-authored, German-language texts focusing on German colonial wars and World War I and the discourses that promoted or critiqued their premises. They examine how colonial conflicts contributed to a persistent atmosphere of *Kriegsbegeisterung* (war enthusiasm) that eventually culminated in the outbreak of World War I, or a *Kriegskritik* (criticism of war) that resisted it. The span from German colonialism to World War I brings these explosive periods into relief and challenges readers to think about the intersection of nationalism, violence and gender and about the historical continuities and disruptions that shape such events.

Death of Kings Bernard Cornwell 2012-01-17 The sixth installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England, "like *Game of Thrones*, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit television series. Though his son, Edward, has been named his successor, there are other Saxon claimants to the throne—as well as ambitious pagan Vikings to the north. Torn between his vows to Alfred and the desire to reclaim his long-lost ancestral lands in the north, Uhtred, Saxon-born and Viking-raised, remains the king's warrior but has sworn no oath to the crown prince. Now he must make a momentous decision that will forever transform his life and the course of history: to take up arms—and Alfred's mantle—or lay down his sword and let his liege's dream of a unified kingdom die along with him.

Seventeen years later, Maggie, married to a businessman eager to start a family, cannot forget the daughter she was forced to abandon, and a chance reconnection with Gabriel spurs a wrenching choice. The Prophet's Wife Libbie Grant 2022-03-01 A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in rural Pennsylvania, Emma Hale marries an itinerant treasure-digger, a man who has nothing but a peep-stone in his pocket and a conviction that he can speak directly to God. His name is Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go. Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict that men should marry as many women as they please. The Mormons' adoption of polygamy only

sets them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life. Minesweeper (Special Forces, Book 2) Chris Lynch 2019-12-03 "All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

Organized Crime Klaus von Lampe 2015-07-16 Organized Crime: Analyzing Illegal Activities, Criminal Structures, and Extra-legal Governance provides a systematic overview of the processes and structures commonly labeled "organized crime," drawing on the pertinent empirical and theoretical literature primarily from North America, Europe, and Australia. The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics, rather than particular historical manifestations of organized crime. Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions: (1) illegal activities, (2) patterns of interpersonal relations that are directly or indirectly supporting these illegal activities, and (3) overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society. Within this framework, numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion.

Love, Theodosia Lori Anne Goldstein 2021-11-02 A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Celebrated British-Pakistani journalist and author Tariq Ali takes a mind-expanding journey through the ages with these five acclaimed works of fiction, available now in one collection. Shadows of the Pomegranate Tree: "Ali captures the humanity and splendor of Muslim Spain" in "an enthralling story, unraveled with thrift and verve" (The Independent). For the doomed Moors, the fall of Granada and the approaching forces of Christendom bring not peace but the sword. The Book of Saladin: After Saladin reclaims the holy city of Jerusalem from the Crusaders, he turns to a Jewish scribe to record his story, which Edward Said calls "a narrative for our time, haunted by distant events and characters who are closer to us than we had dreamed." The Stone Woman: "Ali paints a vivid picture of a fading world," proclaims the New York Times Book Review, as a distant descendant of an exiled Ottoman courtier suffers a stroke in Istanbul, and his family rushes to his side to hear his last stories. A Sultan in Palermo: In "a marvelously paced and boisterously told novel of intrigue, love, insurrection and manipulation," cartographer Muhammad al-Idrisi is caught between his friendship with King Roger of Sicily and the resentments of his fellow Muslims (The Guardian). Night of the Golden Butterfly: A Lahore-born writer living in London is called back to his homeland by an old friend who, at seventy-five, has finally fallen in love. Blood Secret Kathryn Lasky 2009-08-11 The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.

A Boy at War Harry Mazer 2012-06-26 They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from A Boy at War "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water." December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, The Last Mission, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.
