Leadership Interactive EBook Peter G. Northouse 2012-03-30 This sixth edition combines an academically robust account of major theories, approaches, models, and themes of leadership with an accessible style and numerous practical exercises.

The Theory & Practice of Training Roger Buckley 2007 Firmly established as a comprehensive introduction on the topic, this revised 5th edition provides a wide-ranging outline of the major instructional and training concepts and their relationship to training in

practice. The authors have expanded on information relating to the training environment, equipment, strategies, and target population, and have included a completely new section on ethics. Written with the newcomer to the training function in mind, it provides numerous real-life case studies to illustrate the theory. This book is as valuable to those who want to put their training experience into a coherent context as it is to managers who need to understand the role that training can play.

Police Operations: Theory and Practice Kären M. Hess 2013-01-01 This trusted book provides a focused, practical introduction to the key principles and practices guiding the operations of modern police departments. While maintaining its proven instructional approach and strong focus on community- and problem-oriented policing, the sixth edition of POLICE OPERATIONS: THEORY AND PRACTICE reflects the latest trends and research shaping the day-to-day operations of progressive police departments. A new Perspectives from a First-Line Supervisor feature shares practical, applied information. Highlights include new and revised information on evolving technology, the police officer hiring process, how police use websites and social media to communicate with the public, patrol techniques, cultural diversity, cell phone use and laws, hazardous materials response, federal emergency response agencies, and cyberterrorism. The authors complement this wealth of information with an appealing writing style, numerous photos and illustrations, and real-life examples to engage your interest, enhance learning, and demonstrate the professional relevance of chapter material. Now better than ever, this convenient book is an ideal resource for law enforcement students and professionals who want an accessible, up-to-date

guide to essential principles and current trends and practices in police operations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Health Communication Laurel Lindhout Northouse 1998 The book will help nurses and other health care professionals improve their personal communication style and master one of the most important aspects of health care - effective communication with the patient. New sections in this edition include a chapter on multicultural issues; new material on communicating across the lifespan; attention on public health issues, ethics and effective communication techniques; and case studies for communicating with AIDS patients and "family".

Understanding and Managing Public Organizations Hal G. Rainey 2009-10-16

Family Health Care Nursing Joanna Rowe Kaakinen 2018-02-01 Prepare for the real world of family nursing care! Explore family nursing the way it's practiced today—with a theory-guided, evidence-based approach to care throughout the family life cycle that responds to the needs of families and adapts to the changing dynamics of the health care system. From health promotion to end of life, a streamlined organization delivers the clinical guidance you need to care for families. Significantly updated and thoroughly revised, the 6th Edition reflects the art and science of family nursing practice in today's rapidly evolving healthcare environments.

The Duh! Book of Management and Supervision Gerri King 2014-02-25 Managerial styles are influenced by habit, familiarity, and workplace culture. It's no wonder that well-intentioned professionals doing their best to be good organizational leaders often repeat unhelpful

supervisory practices experienced in their early careers, even if they disliked them at the time. In the DUH! Book of Management and Supervision, the author disagrees with many accepted leadership principles (unabashedly referring to them as myths) and makes new and different approaches easier to imagine. Her challenging and controversial concepts illustrated with poignant stories suggest common-sense and immediately applicable alternatives more suitable in today's workplace.

Communicating for Managerial Effectiveness Phillip G. Clappitt 2016-10-28 Appreciated by thousands of thoughtful students, successful managers, and aspiring senior leaders around the world Communicating for Managerial Effectiveness skillfully integrates theory, research, and real-world case studies into models designed to guide thoughtful responses to complex communication issues. The highly anticipated Sixth Edition builds on the strategic principles and related tactics highlighted in previous editions to show readers how to add value to their organizations by communicating more effectively. Author Phillip G. Clappitt (Blair Endowed Chair of Communication at the University of Wisconsin–Green Bay) addresses common communication problems experienced in organizations, including: Communicating about major changes spanning organizational boundaries Selecting the proper communication technologies Transforming data into knowledge Addressing ethical dilemmas Providing useful performance feedback Structuring and using robust decision-making practices Cultivating the innovative spirit Building a world-class communication system

Reading, Understanding, and Applying Nursing Research James A. Fain 2009 Package Consists of: Clinical Kinesiology and Anatomy, 5th Edition By: Lippert Taber's Medical

Dictionary, 21st Edition By: Donald Venes

A Very Short Fairly Interesting and Reasonably Cheap Book About Studying Leadership

Brad Jackson 2011-05-25 The first edition of this popular and acclaimed book quickly became a favourite among students for the engaging way in which it guided them through the cacophony of competing perspectives and models of leadership. This new edition includes an expanded discussion of hot topics like followership, gender, ethics, authenticity and leadership and the arts set against the backdrop of the global financial crisis. In teaching you how to critically appraise and work with leadership theories rather than faithfully accept them, this book will not merely make you a better student of leadership; it could make you a better leader too.

The Leadership Challenge James M. Kouzes 2017-03-30 The most trusted source of leadership wisdom, updated to address today's realities The Leadership Challenge is the gold-standard manual for effective leadership, grounded in research and written by the premier authorities in the field. With deep insight into the complex interpersonal dynamics of the workplace, this book positions leadership both as a skill to be learned, and as a relationship that must be nurtured to reach its full potential. This new sixth edition has been revised to address current challenges, and includes more international examples and a laser focus on business issues; you'll learn how extraordinary leaders accomplish extraordinary things, and how to develop your leadership skills and style to deliver quality results every time. Engaging stories delve into the fundamental roles that great leaders fulfill, and simple frameworks provide a primer for those who seek continuous improvement; by internalizing

key insights and putting concepts into action, you'll become a more effective, more impactful leader. A good leader gets things done; a great leader aspires, inspires, and achieves more. This book highlights the differences between good and great, and shows you how to bridge the chasm between getting things done and making things happen. Gain deep insight into leadership's critical role in organizational health Navigate the shift toward team-oriented work relationships Motivate and inspire to break through the pervasive new cynicism Leverage the electronic global village to deliver better results Business is evolving at an increasingly rapid rate, and leaders must keep pace with the changes or risk stagnation. People work differently, are motivated differently, and have different expectations today—business as usual is quickly losing its effectiveness. The Leadership Challenge helps you stay current, relevant, and effective in the modern workplace.

Revitalising Leadership Suze Wilson 2017-07-20 Revitalising leadership connects leadership theory and practice with context. It argues that the universal prescriptions favoured by most leadership scholars ignore the reality that context always matters in leadership practice – and so it should matter in leadership theorizing too. Addressing this gap, the book offers a novel framework that enables the development of context-sensitive leadership theory and practice. This framework directs theoretical and practical attention to the key challenges for leadership in different organizational contexts. It involves developing a specific purpose for leadership in a given context, as well as formulating the values, norms and domains of action which should guide leadership efforts in that context. Determining these various matters then informs the role, responsibilities, rights, behaviours and attributes relevant to leaders and

followers for that context, and the focus, purpose and boundaries of the leader-follower relationship. Deploying this framework, six in-depth illustrative theorisations are provided, showing how leadership practice might best take shape in the contexts of supervisory management; HR management; innovation and entrepreneurship; strategy; governance; and leadership studies itself. Revitalising leadership will appeal to diverse audiences, due to its theoretical novelty, its diversity of illustrative examples, its practice-focussed orientation and its clear, engaging style. These include leadership scholars concerned with the lack of attention being paid to context in leadership theorizing; organizational scholars wanting to learn how leadership thinking can be brought to bear on the different management functions the book explores; practitioners seeking leadership ideas that are tailored to the context they lead and follow in; and those involved in MBA or leadership development programmes who are looking to combine the personal reflection sought by such programmes with a thoughtful analysis of the context in which their leadership practice takes place.

Reframing Organizations Lee G. Bolman 2013-07-16 In this fifth edition of the bestselling text in organizational theory and behavior, Bolman and Deal's update includes coverage of pressing issues such as globalization, changing workforce, multi-cultural and virtual workforces and communication, and sustainability. A full instructor support package is available including an instructor's guide, summary tip sheets for each chapter, hot links to videos & extra resources, mini-assessments for each of the frames, and podcast Q&As with Bolman & Deal.

Leadership Theory and Research Christian Harrison 2017-11-16 This book provides a

concise yet comprehensive literature review on leadership. As well as offering critical insight into leadership research, the author addresses emerging paradigms and identifies new approaches. A vital tool for leadership students and scholars, the text will enable readers to demonstrate a critical awareness of current developments both in theory and practice of leadership and its importance in modern organizations. Both scholars and practitioners will find the engaging discussion in this book particularly useful as the author offers practical ideas for development and a much-needed unified theory on leadership.

Introduction to Leadership Peter G. Northouse 2017-02-06 The Fourth Edition of Peter G.

Northouse's bestselling *Introduction to Leadership: Concepts and Practice* provides readers with a clear overview of the complexities of practicing leadership and concrete strategies for becoming better leaders. The text is organized around key leader responsibilities such as creating a vision, establishing a constructive climate, listening to outgroup members, and overcoming obstacles. Three interactive components in every chapter—self-assessment questionnaires, observational exercises, and reflection and action worksheets—get readers actively involved in applying leadership concepts to their own lives. Grounded in leadership theory and the latest research, the fully updated, highly practical Fourth Edition includes a new chapter on how leaders can embrace diversity and inclusion, as well as new material on the dark side of leadership and a new ethical leadership style questionnaire.

Leadership and Management: Theory and Practice Kris Cole 2018-09-01 *Leadership & Management: Theory & Practice* by Kris Cole focuses on comprehensive coverage of the core management units within the Diploma of Leadership and Management BSB51915 and

Certificate IV in Leadership and Management BSB42015. This market-leading textbook provides students with rigorous information while balancing the key topics with a practical approach, through real-life case studies, examples and problem-solving techniques. It uses everyday business terms and language, putting management in a context that makes it easy to understand for all types of learners. Leadership & Management: Theory & Practice enables students to strengthen skills in areas such as managing poor performance, being more directive, and solving problems permanently. It is noted for its application across industry sectors and different types of business.

Leading with Y.E.S. Maria Van Hekken 2017-03-17 Declare Y.E.S. loud and clear to create new possibilities in your life and leadership.

Leadership Theory and the Community College Carlos Nevarez 2015-06-19 This book presents leaders and aspiring leaders in community colleges with a theoretical and practical framework for analyzing their leadership styles, and determining the dimensions of leadership they need to improve in order to strengthen their capacity to resolve complex issues and effectively guide their institutions. It does so through presenting theories about leadership that are congruent with the notions of equity, access, diversity, ethics, critical inquiry, transformational change, and social justice that drive the missions of community colleges, and at the same time provides the reader with the strategic skills to prepare for and navigate the profound changes ahead. Readers will gain an understanding of how to use theory as a tool to guide their practice, better understand the intricacies of the issues confronting them, the power dynamics and organizational context in which they operate,

predict potential outcomes, and develop processes to achieve desired outcomes. Utilizing theory in conjunction with case study analysis provides community college leaders with the tools needed to comprehensively interrogate and inform decision-making processes. The authors provide a number of rich and realistically complex case studies, all of which are situated in a community college environment, to which readers can apply the various theories and perspectives, develop their view about the principles and actions most likely to lead to satisfactory outcomes, and hone the approaches to leadership that are authentic to them, and effective. The authors aim to help readers develop the multi-faceted approach to leadership that is essential to running complex organizations. They aim to promote development of the “whole” leader through a three-fold framework of theory, practice, and introspection in context of institutional change. In doing so, leaders will be better equipped to lead community colleges in challenging times. The authors tie AACC’s competencies to the leadership theories they cover, as well as to the analysis of the case studies, and leadership inventories, as an essential framework for developing the skill sets to enact the community college mission. The book is suitable for personal reading and reflection, institutional leadership retreats and training, and as a text for higher education courses.

Educational Administration: Theory, Research, and Practice Wayne Hoy 2012-03-22

Group Dynamics for Teams Daniel Levi 2015-12-15 Incorporating the latest research throughout, Daniel Levi’s Fifth Edition of Group Dynamics for Teams explains the basic psychological concepts of group dynamics, focusing on their application with teams in the workplace. Grounded in psychology research and a practical focus on organizational

behavior issues, this engaging book helps readers understand and more effectively participate in teams.

Instructional Leadership Peter M. DeWitt 2020-01-28 This step-by-step how-to guide presents the six driving forces of instructional leadership within a multi-stage model for implementation, delivering lasting improvement through small, collaborative changes.

Public Relations David W. Guth 2016-06-13 An introduction to Public Relations that focuses on ethical, productive relationships with strategic constituencies REVEL™ for Public Relations: A Values-Driven Approach introduces students to public relations, defined as the management of relationships between an organization and the publics important to its success. Authors David Guth and Charles Marsh outline the profession's common issues, trends, and techniques, and help students to place the profession within the context of its role in the conduct of a civil society. In order to help students understand the contemporary state of the field, REVEL for the Sixth Edition offers the most up-to-date statistics, the latest research, and the most current examples of public relations practice. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience — for less than the cost of a traditional textbook. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and

use REVEL.

Leadership Peter Guy Northouse 2022

Strategic Leadership and Management in Nonprofit Organizations Martha Golensky 2020-01-30 Nonprofit organizations need smart, informed managers. This comprehensive introductory textbook aims to expose students to the range of responsibilities expected from modern nonprofit organizations and their boards, executive management, frontline staff, and community volunteers. Section 1 focuses on the characteristics of a nonprofit organization, with an explanation of the specific attributes of both charitable and member-serving nonprofits. It considers the historical development of the nonprofit sector as a whole and of the human services subsector in particular, culminating with a review of the political and economic climate in which nonprofits operate. Section 2 considers theories of leadership. The multiple roles of the nonprofit professional leader are delineated, to recognize that the same person may serve as manager and administrator, motivated by different priorities when functioning in each capacity. Ethical issues are also considered, along with the theoretical and practical aspects of decision-making, and the relationship between organizational culture and organizational change. Sections 3 and 4 address the specific skills of the nonprofit leader involved in securing material resources and managing human resources, respectively. The book concludes with a focus on the role of volunteers and the need for organizations to provide them good experiences if they want volunteers to keep coming back. Featuring an extended case study, this book is a useful guide for students and professionals new to the workplace on topics such as successfully managing change,

strengthening programs, nurturing a dynamic board of directors, diversifying revenues, and building a strong, committed staff and volunteer corps.

Leadership and Nursing Care Management - E-Book Diane Huber 2013-08-07

Comprehensive and easy to read, this authoritative resource features the most up-to-date, research-based blend of practice and theory related to the issues that impact nursing management and leadership today. Key topics include the nursing professional's role in law and ethics, staffing and scheduling, delegation, cultural considerations, care management, human resources, outcomes management, safe work environments, preventing employee injury, and time and stress management. Research Notes in each chapter summarize relevant nursing leadership and management studies and show how research findings can be applied in practice. Leadership and Management Behavior boxes in each chapter highlight the performance and conduct expected of nurse leaders, managers, and executives. Leading and Managing Defined boxes in each chapter list key terminology related to leadership and management, and their definitions. Case Studies at the end of each chapter present real-world leadership and management situations and illustrate how key chapter concepts can be applied to actual practice. Critical Thinking Questions at the end of each chapter present clinical situations followed by critical thinking questions that allow you to reflect on chapter content, critically analyze the information, and apply it to the situation. A new Patient Acuity chapter uses evidence-based tools to discuss how patient acuity measurement can be done in ways that are specific to nursing. A reader-friendly format breaks key content into easy-to-scan bulleted lists. Chapters are divided according to

the AONE competencies for nurse leaders, managers, and executives. Practical Tips boxes highlight useful strategies for applying leadership and management skills to practice. Leadership Roles and Management Functions in Nursing Bessie L. Marquis 1992 Now in its Fifth Edition, this foremost leadership and management text incorporates application with theory and emphasizes critical thinking, problem solving, and decision making. More than 225 case studies and learning exercises promote critical thinking and interactive discussion. This edition includes 46 new case studies in settings such as acute care, ambulatory care, long-term care, and community health. The book addresses timely nursing leadership and management issues, such as leadership development, staffing, delegation, ethics and law, organizational, political, and personal power, management and technology, and more. Web links and learning exercises appear in each chapter. An Instructor's CD-ROM includes a testbank and PowerPoint slides.

Meeting the Ethical Challenges of Leadership Craig E. Johnson 2017-01-10 Ethics is at the heart of leadership. All leaders assume ethical burdens and must make every effort to make informed ethical decisions and foster ethical behavior among followers. The Sixth Edition of Meeting the Ethical Challenges of Leadership: Casting Light or Shadow explores the ethical demands of leadership and the dark side of leadership. Author Craig E. Johnson takes a multidisciplinary approach to leadership ethics, drawing from many fields of research to help readers make moral decisions, lead in a moral manner, and create an ethical culture. Packed with real-world case studies, examples, self-assessments, and applications, this fully-updated new edition is designed to increase students' ethical competence and leadership

abilities.

Leading from the Ice Kevin Hartzell 2014-10-12 "We need to refocus on leadership as a value important to our American republic. The book is a small effort in restarting the dialogue to stimulate the effort to produce more and better leadership on the ice and off.

Leadership Case Studies in Education Peter G. Northouse 2018-03-06 "This is a must-have book for educational leadership." –Joseph Mukuni, Virginia Tech University Engaging, practical, and relevant, Leadership Case Studies in Education, Second Edition applies leadership theories in educational settings. Designed to be used alongside Leadership: Theory and Practice, Eighth Edition, this casebook provides relevant, substantive, and contemporary case studies on leadership issues in Higher Education and K-12 Education. Each of the 32 case studies include critical thinking questions that encourage students to apply leadership theory and concepts to real-life situations. Fully updated with new citations, statistics, and a new chapter on followership, Leadership Case Studies in Education is the perfect companion for educational leadership courses. Bundle with Northouse's Leadership: Theory and Practice, Eighth Edition ISBN: 978-1-5443-3018-1

Leadership Peter G. Northouse 2007 Heartened by the positive response to previous editions of Leadership: Theory and Practice, this Fourth Edition is written with the same objective to bridge the gap between the often simplistic popular approaches to leadership and the more abstract theoretical approaches.

Educational Leadership Margaret Preedy 2011-11-01 Drawing together current thinking and research by leading writers in the field, this Reader will help you to understand and critically

analyse key strategic aspects of educational leadership, including: - leadership perspectives and values - external and internal contexts - autonomy and accountability - partnership and collaboration - leading strategy and change. The book explores major challenges for educational leaders in managing the increasingly permeable boundary between educational organisations and their external contexts and reconciling environmental expectations and internal priorities. The Reader will encourage you to positively problematize the field and reflect on current debates and issues. This book will be an essential resource for providers and students of postgraduate level courses in educational leadership and management, as well as those involved in undertaking professional development programmes. It will also serve the reflective practitioner as personal reference when occupying or aspiring towards leadership roles in schools, colleges and other educational organisations. Dr Maggie Preedy, Professor Nigel Bennett and Dr Christine Wise have taught, researched and published widely in the field of educational leadership and management. Maggie Preedy and Christine Wise are Senior Lecturers in the Faculty of Education and Language Studies at The Open University, UK. Nigel Bennett is Emeritus Professor of Leadership and Management in Education at The Open University.

Adaptive Leadership: The Heifetz Collection (3 Items) Ronald A. Heifetz 2014-09-23 In times of constant change, adaptive leadership is critical. This Harvard Business Review collection brings together the seminal ideas on how to adapt and thrive in challenging environments, from leading thinkers on the topic—most notably Ronald A. Heifetz of the Harvard Kennedy School and Cambridge Leadership Associates. The Heifetz Collection includes two classic

books: *Leadership on the Line*, by Ron Heifetz and Marty Linsky, and *The Practice of Adaptive Leadership*, by Heifetz, Linsky, and Alexander Grashow. Also included is the popular Harvard Business Review article, "Leadership in a (Permanent) Crisis," written by all three authors. Available together for the first time, this collection includes full digital editions of each work. Adaptive leadership is a practical framework for dealing with today's mix of urgency, high stakes, and uncertainty. It has been used by individuals, organizations, businesses, and governments worldwide. In a world of challenging environments, adaptive leadership serves as a guide to distinguishing the essential from the expendable, beginning the meaningful process of adaptation, and changing the status quo. Ronald A. Heifetz is a cofounder of the international leadership and consulting practice Cambridge Leadership Associates (CLA) and the founding director of the Center for Public Leadership at the Harvard Kennedy School. He is renowned worldwide for his innovative work on the practice and teaching of leadership. Marty Linsky is a cofounder of CLA and has taught at the Kennedy School for more than twenty-five years. Alexander Grashow is a Senior Advisor to CLA, having previously held the position of CEO.

Health Behavior Karen Glanz 2015-07-27 "Health Behavior: Theory, Research, and Practice, Fifth Edition, is a thorough introduction to the practice of health education and health promotion, covering the theories, applications, and research of most use to public health students and practitioners. Through four editions, with more than 100,000 copies sold, this book has become the gold-standard textbook for health behavior courses. This essential resource includes the most current information on theory, research, and practice at

individual, interpersonal, and community and group levels, with substantial new content on current and emerging theories of health communication, social marketing and e-health, culturally diverse communities, health promotion, the impact of stress, the importance of networks and community, social marketing, and evaluation. New contents include an update to the selection of theories, both established and emerging; e-health and social media as integrated into health communication; global health as an application of health behavior theory; culture and health disparities; more guidance on how to select suitable theories for specific problems/issues. In addition to a selection of basic ancillary materials, the editors offer a dedicated website with student-written "theory in action" examples; expanded bibliographies; exemplar measures of theoretical constructs; and relevant links"--

Sexuality Education Clint E. Bruess 2004 Sexuality Education: Theory and Practice, Fourth Edition is designed to prepare future sexuality educators and administrators, as well as seasoned teachers about sexuality and also aims to clarify the false assumptions related to sexuality education. This one-of-a-kind resource provides comprehensive coverage of information and issues related to sexuality education and the skills needed to prepare sexuality educators.

Counseling the Culturally Diverse Derald Wing Sue 2011-05-04

Images of Organization Gareth Morgan 2006-04-15 Since its first publication over twenty years ago, Images of Organization has become a classic in the canon of management literature. The book is based on a very simple premise—that all theories of organization and management are based on implicit images or metaphors that stretch our imagination in a

way that can create powerful insights, but at the risk of distortion. Gareth Morgan provides a rich and comprehensive resource for exploring the complexity of modern organizations internationally, translating leading-edge theory into leading-edge practice.

The Greats on Leadership Jocelyn Davis 2016-05-19 You don't need a big title or a business degree in order to lead with impact. What you need is practical wisdom: the insight, judgment, and strength of character that all great leaders have, but that most business schools and corporate workshops don't teach. The Greats on Leadership gets you there. Jocelyn Davis takes you on an in-depth tour of the best leadership ideas of the past 25 centuries, featuring classic authors from Plato to Winston Churchill, Shakespeare to Jane Austen, C.G. Jung to Peter Drucker, and many more. In a style both thought provoking and entertaining, she shows how -history's great writers have always been, and still are, the real leadership gurus. Davis spells out the behaviors that distinguish true leaders from misleaders and covers 20 specific leadership topics, including: Leadership Traps (Shakespeare) Change (Machiavelli) Power (Sophocles) Dilemmas (Madison, Hamilton) Communication (Lincoln, Pericles) Personality Types (Jung) Motivation (Frankl) Judgment (Maupassant, Melville, Austen, Shaw) Character (Churchill, Plutarch, Shelley, Joyce) Each chapter begins with a synopsis of a great work by the author and then draws out the key leadership insights, weaving them together with business examples, the best contemporary research, and tools to help put it all into practice. In the last two chapters Davis presents a new way to think about leadership levels, framing them in terms of the impact you have rather than the title on your business card. Whether you're a recent graduate or MBA

searching for something more inspiring than the standard textbook, a new manager looking for something deeper than the typical how-to book, or an experienced executive seeking ideas to lift you to the next level, this remarkably readable and practical guide will set you on the road to becoming a great leader.

Leadership Peter G. Northouse 2018-02-09 In this fully updated Eight Edition of *Leadership: Theory and Practice*, a new chapter on Followership examines the central role followers play in the leadership process and unpacks the characteristics of both effective and ineffective followers. The new edition also includes a new Ethical Leadership Style Questionnaire and new coverage on the dark side of leadership and destructive leadership. Adopted at more than 1600 institutions in 89 countries and translated into 13 different languages, this market-leading text successfully combines an academically robust account of the major theories and models of leadership with an accessible style and special emphasis on how leadership theory can inform leadership practice. Peter G. Northouse uses a consistent structure for each chapter, allowing students to easily compare and contrast the various theories. Case studies and questionnaires provide students with practical examples and opportunities to deepen their personal understanding of their own leadership.

The Gift of Leadership: How to Coach Your Team to More Productive and Efficient Outcomes Ron Nottingham 2016-06-09 *The Gift of Leadership* will present insightful knowledge, understanding, and wisdom that you can use to enhance your own leadership skills.
