The Real Deadwood John Edwards Ames 2004-08-31 The true life histories of Wild Bill Hickok,

Calamity Jane, and other residents of the lawless town known as Deadwood—the inspiration for the award-winning HBO® series and film. With a cast of historically rich characters, *The Real Deadwood* explores the lives of Wild Bill Hickok, Al Swearingen, Seth Bullock, Calamity Jane, Sol Star, and a host of others who walked the streets of Deadwood. An historical crossroad of the American west, even Wyatt Earp came to Deadwood, only to bump heads with Sheriff Seth Bullock. Other celebrated visitors over the years include Buffalo Bill Cody, the Sundance Kid, Bat Masterson, and Teddy Roosevelt. Looking at the world of primitive medicine, prostitution, and law from lawlessness, *The Real Deadwood* separates the facts from the fiction in its overview of a town violent enough to rival the likes of Tombstone, Dodge City, and Abilene. This is the true story of life on the frontier—when roughing it was truly rough. It's good versus evil and civilization versus anarchy. It's the real Deadwood.

Lost and Found Sarah Jakes 2014-04-01 Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

In Her Prime Glenn Puit 2009-11-03 On July 8, 2006, Reno critical nurse Chaz Higgs called 911 to report that his wife wasn't breathing. His wife, Nevada state controller Kathy Augustine, was one of Nevada's best-known—and most notorious—politicians. Impeached in 2004 for campaign ethics violations, she'd been allowed to serve out her term, but made plenty of enemies along the way. Chaz was Kathy's fourth husband. Her third husband had died, leaving Kathy their Las Vegas home and a \$1 million insurance policy. Weeks later, she'd married Chaz, a younger man who'd been her husband's nurse. Investigators wanted to know why a healthy, vibrant fifty-year-old woman with no history of heart trouble suddenly stopped breathing. One nurse had a theory—and it involved her colleague, Chaz Higgs.

Generations Pattiann Rogers 2004-05-25 Winner of the John Burroughs Medal for Lifetime Achievement in Nature Poetry Pattiann Rogers, one of America's finest contemporary poets, has won a reputation for densely detailed, thickly textured poems describing the natural world and one's place in it that are informed by a broad knowledge of science. In the tradition of Emerson, Whitman, and A. R. Ammons, Rogers's wise and complex poems read like a series

of witty but deeply felt explorations of the physical world and the presence of the divine, exuding much observational care and descriptive panache. Her new collection, *Generations*, consists of fifty-four poems that concern themselves not just with the notion of the generations of life, but “generations” in the sense of energy, change, replication, and continuity—the entire process of coming or bringing into being.

**Thinking in New Boxes** Luc De Brabandere 2013-09-10 When BIC, manufacturer of disposable ballpoint pens, wanted to grow, it looked for an idea beyond introducing new sizes and ink colors. Someone suggested lighters. LIGHTERS? With an idea that seemed crazy at first, that bright executive, instead of seeing BIC as a pen company—a business in the PEN “box”—figured out that there was growth to be found in the DISPOSABLE “box.” And he was right. Now there are disposable BIC lighters, razors, even phones. The company opened its door to a host of opportunities. IT INVENTED A NEW BOX. Your business can, too. And simply thinking “out of the box” is not the answer. True ingenuity needs structure, hard analysis, and bold brainstorming. It needs to start THINKING IN NEW BOXES—a revolutionary process for sustainable creativity from two strategic innovation experts from The Boston Consulting Group (BCG). To make sense of the world, we all rely on assumptions, on models—on what Luc de Brabandere and Alan Iny call “boxes.” If we are unaware of our boxes, they can blind us to risks and opportunities. This innovative book challenges everything you thought you knew about business creativity by breaking creativity down into five steps: • Doubt everything. Challenge your current perspectives. • Probe the possible. Explore options around you. • Diverge. Generate many new and exciting ideas, even if they seem absurd. • Converge. Evaluate and select the ideas that will drive breakthrough results. • Reevaluate. Relentlessly. No idea is a good idea forever. And did we mention Reevaluate? Relentlessly. Creativity is paramount if you are to thrive in a time of accelerating change. Replete with practical and potent creativity tools, and featuring fascinating case studies from BIC to Ford to Trader Joe’s, *Thinking in New Boxes* will help you and your company overcome missed opportunities and stay ahead of the curve. This book isn’t a simpleminded checklist. This is *Thinking in New Boxes*. And it will be fun. (We promise.) Praise for *Thinking in New Boxes* “Excellent . . . While focusing on business creativity, the principles in this book apply anywhere change is needed and will be of interest to anyone seeking to reinvent herself.”—Blogcritics “Thinking in New Boxes is a five-step guide that leverages the authors’ deep understanding of human nature to enable readers to overcome their limitations and both imagine and create their own futures. This book is a must-read for people living and working in today’s competitive environment.”—Ray O. Johnson, Ph.D., chief technology officer, Lockheed Martin “Thinking In New Boxes discusses what I believe to be one of the fundamental shifts all companies/brands need to be thinking about: how to think creatively, in order to innovate and differentiate our brands. We need to thrive and lead in a world of accelerating change and this book challenges us to even greater creativity in our thinking. One of the best business books I’ve read in a long time.”—Jennifer Fox, CEO, Fairmont Hotels & Resorts “As impressive as teaching new tricks to old dogs, *Thinking in New Boxes* is both inspirational and practical—a comprehensive, step-by-step guide to sharpening one’s wits in order to harness creativity in the workplace.”—Peter Gelb, general manager, Metropolitan Opera

The Dancing Girls of Lahore Louise Brown 2005-07-05 The dancing girls of Lahore inhabit the Diamond Market in the shadow of a great mosque. The twenty-first century goes on outside the walls of this ancient quarter but scarcely registers within. Though their trade can be described with accuracy as prostitution, the dancing girls have an illustrious history: Beloved by emperors and nawabs, their sophisticated art encompassed the best of Mughal culture. The modern-day Bollywood aesthetic, with its love of gaudy spectacle, music, and dance, is their distant legacy. But the life of the pampered courtesan is not the one now being lived by Maha and her three girls. What they do is forbidden by Islam, though tolerated; but they are gandi, "unclean," and Maha's daughters, like her, are born into the business and will not leave it. Sociologist Louise Brown spent four years in the most intimate study of the family life of a Lahori dancing girl. With beautiful understatement, she turns a novelist's eye on a true story that beggars the imagination. Maha, a classically trained dancer of exquisite grace, had her virginity sold to a powerful Arab sheikh at the age of twelve; when her own daughter Nena comes of age and Maha cannot bring in the money she once did, she faces a terrible decision as the agents of the sheikh come calling once more.

Tucked inside the fibers and buttons and pockets of the clothing in our closets are the stories of our lives, the lessons we've learned, the people we've loved. Like so many of us, Adena Halpern has used clothes to conform, to seduce, to console, to show off, and to hide. Her ability to relate fashion to her inner life in a way that goes beyond

the clothes has endeared her to many readers, one of whom called her, the real-life Carrie Bradshaw. But Fashionista, she is not. Adena is: every teenage girl who had to have what all the other girls had, whether it looked good on her or not; the college coed who swooned for the boy in the leather jacket; the heartbroken girl who chose a rebound dress over a rebound man; the best friend who borrows clothes and never gives them back; the woman who is 45 minutes late to work because she has nothing to wear. She is a lover of clothes and shopping whose passionate memories are always tied not only to the clothes that she wore, but what everyone else was wearing, too. This is the affectionate and funny story of Adena's life, an unconventional love story that readers will want to share. Clotheshorse or otherwise, this book is for anyone who keeps an old piece of clothing in the back of their closet, wishing that one day those clothes would get up and start talking about the wonderful times you once shared together.

The Moment of Everything Shelly King 2014-09-02 In the tradition of *The Cookbook Collector* comes a funny, romantic novel about a young woman finding her calling while saving a used bookstore. Maggie Dupriv®, recently "involuntarily separated from payroll" at a Silicon Valley startup, is whiling away her days in *The Dragonfly's Used Books*, a Mountain View institution, waiting for the Next Big Thing to come along. When the opportunity arises for her to network at a Bay Area book club, she jumps at the chance—even if it means having to read *Lady Chatterley's Lover*, a book she hasn't encountered since college, in an evening. But the edition she finds at the bookstore is no Penguin Classics *Chatterley*—it's an ancient hardcover with notes in the margins between two besotted lovers of long ago. What Maggie finds in her search for the lovers and their fate, and what she learns about herself in the process, will surprise and move readers. Witty and sharp-eyed in its treatment of tech world excesses, but with real warmth at its core, *The Moment of Everything* is a wonderful read.
