The Life And Works Of Edgar Allen Poe Julian Symons 2014-07-01 The Tell-Tale Heart strips away myths that have grown up around the life of Edgar Allen Poe, providing a fresh assessment of the man and his work. Symons reveals Poe as his contemporaries saw him – a man struggling to make a living and whose life was beset by tragedy, such that he was driven to excessive drinking and unhealthy relationships. American Literature in Context Brian Harding 2016-05-20 First published between 1982 and 1983, this series examines the peculiarly American cultural context out of which the nation's literature has developed. Covering the years from 1830 to 1865, this second volume of American Literature in Context examines twelve major American writers of the three decades before the Civil War, including Edgar Allan Poe, Ralph Waldo Emerson, Henry David Thoreau, Herman Melville and Walt Whitman. The book also analyses the writing of two contemporary historians, an intellectual Journalist and Abraham Lincoln. Among the major themes discussed the religious heritage of New England Transcendentalism, sectional rivalries, tensions between self-culture and social awareness, and the widening gulf between the idea of national destiny and the fact of growing disunity. In addition, the dominant literary forms of the period – sermon, essay, travelogue – are related to the common cultural assumptions of the age. This book will be of interest to those studying American literature and American studies.

The Oxford Handbook of Edgar Allen Poe J. Gerald Kennedy 2019-01-08 No American author of the early 19th century enjoys a larger international audience than Edgar Allan Poe. Widely translated, read, and studied, he occupies an iconic place in global culture. Such acclaim would have gratified Poe, who deliberately wrote for "the world at large" and mocked the provincialism of strictly nationalistic themes. Partly for this reason, early literary historians cast Poe as an outsider, regarding his dark fantasies as extraneous to American life and experience. Only in the 20th century did Poe finally gain a prominent place in the national canon. Changing critical approaches have deepened our understanding of Poe's complexity and revealed an author who defies easy classification. New models of interpretation have excited fresh debates about his essential genius, his subversive imagination, his cultural insight, and his ultimate impact, urging an expansive reconsideration of his literary achievement. Edited by leading experts J. Gerald Kennedy and Scott Peeples, this volume presents a sweeping reexamination of Poe's work. Forty-five distinguished scholars address Poe's troubled life and checkered career as a "magazinish," his poetry and prose, and his reviews, essays, opinions, and marginalia. The chapters provide fresh insights into Poe's lasting impact on subsequent literature, music, art, comics, and film and illuminate his radical conception of the universe, science, and the human mind. Wide-ranging and thought-provoking, this Handbook reveals a thoroughly modern Poe, whose timeless fables of peril and loss will continue to attract new generations of readers and scholars.

Odd and Deviant Behaviour in Selected Short Stories by Edgar Allan Poe and Flannery O'Connor Anna Broda 2008-05 Thesis (M.A.) from the year 2008 in the subject American Studies - Literature, grade: good, University of Silesia (The Institute of British and American Culture and Literature), 51 entries in the bibliography, language: English, abstract: The aim of the present thesis is to analyse the dark sides of human nature in the literary works by the two prominent American writers, Edgar Allan Poe and Flannery O'Connor. The thesis presents the types of characters whose behaviour is stigmatized with madness, brutality and alienation. The introduction portrays Poe's and O'Connor's profiles in comparison with their contemporary writers. The differences between Edgar Allan Poe and other representatives of Romanticism are discussed. Comparably, the reader is acquainted with these features of Flannery O'Connor's innovative writing that enriched the literary tradition of American South. The introduction presents the major themes of E. A. Poe's and F. O'Connor's fiction, such as inner conflict, death wish, violence and mental deformities. The first chapter describes the impact of the writers' life experiences and personal interests on their

literary output. The chapter mentions the traumatic experiences from the authors' lives, such as Poe's early orphanhood and O'Connor's combat with her incurable disease. The chapter is also devoted to the writers' fascination with a sphere of human psyche and their interest in psychopathology. The aim of the second chapter is to depict the heroes whose depravation is so extreme that they lose the ability to decide about themselves and are subjected to the influence of a mysterious force to regain their internal balance. The force is meant to free these figures from their anguish and internal chaos. The third chapter presents the picture of intellectual in Poe's and O'Connor's short stories. This figure aims at exceeding the limits of human mind. As a result, he suppresses his spirit. The chapter portrays contrasting views of both

Critical Essays on Edgar Allan Poe Eric W. Carlson 1987 Each volume in this series provides an introduction tracing the subject author's critical reputation, trends in interpretation, developments in textual and biographical scholarship, and reprints of selected essays and reviews, beginning with the author's contemporaries and continuing through to current scholarship. Many volumes also feature new essays by leading scholars and critics, specially commissioned for the series.

Edgar Allen Poe 2007

Edgar Allan Poe Jeffrey Meyers 2000-09-05 This biography of Edgar Allan Poe (1809-1849), a giant of American literature who invented both the horror and detective genres, is a portrait of extremes: a disinherited heir, a brilliant but exploited author and editor, a man who veered radically from temperance to rampant debauchery, and an agnostic who sought a return to religion at the end of his life. Acclaimed biographer Jeffrey Meyers explores the writer's turbulent life and career, including his marriage and multiple, simultaneous romances, his literary feuds, and his death at an early age under bizarre and troubling circumstances.

Study Guide to the Major Works by Edgar Allan Poe Intelligent Education 2020-06-28 A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Edgar Allen Poe, a key figure in Romanticism. The American Face of Edgar Allan Poe Shawn James Rosenheim 1995-08-28 Renza, Shawn Rosenheim, and Laura Saltz.--Kenneth Dauber, State University of New York, Buffalo

Birth Control: Neurotic Tales of a First Time Father James Vavasour 2015-12-03 James finds himself woefully unprepared when his firstborn daughter, Abby, arrives into the world. On the drive from the hospital with his wife and baby, he plods along at twenty-five miles an hour while scanning the horizon for road debris, drunken drivers, and collapsing overpasses. Despite bills, diapers, and a baby that never seems to be happy, he maintains his sense of humor—even while reflecting on his own damaged childhood, which left him with a single kidney and questions about what it means to love and be loved. When he's not tackling big issues, he's neurotically brooding over his lackluster parenting skills, nonexistent sex life, and the disturbing image of his wife fishing out baby poop from under her fingernails. Appealing to a new generation of caring fathers and the women they love, Birth Control delivers honest, often embarrassing, but always heartfelt insights into what it's like to surrender to the overpowering love that comes with a first child.

Israfel the Life and Times of Edger Allan Poe Hervey Allen 2017-08-24 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Copyright, 1926, by George EL Doran Company Second Edition THIB PLIMPTON PRBgfI NORWOOD PRINTB0 IN THSJ UWTITBD HTATEB OV A M li it 1 A. Edgar Allan Poe as a Young Man From a daguerreotype probably taken in Baltimore in the early Courtesy of the A dryland Historical Society For Mary Lucy Allen - . - s.. SsCa. - t 4t. . sSirjusr ifS- sX Poes Own Comment on His Childhood From a poem clipped from the album of a Mr. BALDERSTONE of Baltimore, by . L. DIDIER. The date and title are in DIDIERS hand, and the date is in correct. POE was at Fortress Monroe on March 17, 1829. The poem probably belongs to sometime later in 1829 before FOB entered West Point PREFACE IT IS not the intention in this preface to attempt to pre sent, in condensed form, a critical estimate of the great figure whose semblance, at least, walks through the pages of this biography. A long, laborious, and conscientious consideration of the immense amount of material concerning Poe, has convinced the author that any brief, comfortably clever, and convenient presentation of his character, either from a literary, psychological, or romantic standpoint is bound to be misleading. So diverse, so conflicting, and so astoundingly confusing was the life experience of Edgar Allan Poe that, in comparison, the lives of many other men of letters are a simple tale. The method followed here has been to disregard, for the most part, the findings of all other biographers who have worked in the field, and to depend totally upon source mate rial drawn from contemporary documents, letters, and the evidence given by those whosaw, talked with, and, to some extent, knew the man. No matter how great the authority, or scholarship of those who lived after Poe died, it is felt that the evidence of those who affirm, I saw him, talked with him, on such and such an occasion he did, or said, or appeared thus and thus is of more value than theories, be they ever so erudite and clever This biography, then, is the story of Edgar Allan Poe, and the strange forgotten America in which he lived, and perished, reconstructed from the direct evidence latent in the docu ments, letters, books, and illustrations of the period from about 1800 to 1850. Neither expense, effort, nor meticulous care have been spared in assembling this data, in which proc ess, the courtesy, advice, and enthusiasm of those who have vii vffi PREFACE been drawn upon for aid, or for source material in their right or custody, have been truly encouraging and have, indeed, made this work possible during the past four years. There are a great many Lives of Poe. This differs from all others in that, for the first time, it tells the complete story of the man, from birth to death, and makes reasonably clear the mystery which has hitherto surrounded the first half of his life and the formative processes of youth. For mer biographers because of the inaccessibility of material, withheld, for sufficient personal reasons, have been largely compelled to project Poe as a somewhat enigmatical torso, with the base draped in convenient and impressive folds. It is purely an accidental circumstance, but nevertheless an important one, that the passing of time has brought about the release of sources, hitherto inaccessible, which now make it possible to tell amply the strange, and startling story of Poes youth. There is no longer any necessity for talking about the Poe mystery, indeed, it is no exaggeration to say that there are few other literary figures whose personal life is so fully documented. There exists in the files of the firm of Ellis Allan, the business house in which Poes guardian was a partner, a surprisingly complete record of the daily life of the family, and community in which Poe lived during his youth...

Edgar Allan Poe across Disciplines, Genres and Languages Alfonso Amendola 2018-01-23 This collection of essays, which rediscovers Edgar Allan Poe's not forgotten lore, comprises a two-headed scholarly body, drawing from communication and linguistics and literature, although it also includes many other academic offshoots which explore Poe's labyrinthine and variegated imagination. The papers are classified according to two main domains, namely: (I) Edgar Allan Poe in Language, Literature and Translation Studies, and (II) Edgar Allan Poe in Communication and the Arts. In short, this book combines rigour and modernity and pays homage, with a fresh outlook, to Poe's extra-ordinary originality and brilliant weirdness which prompted renowned authors like James Russell Lowell and Howard P. Lovecraft to claim, respectively, that "Mr. Poe has that indescribable something which men have agreed to call genius" and that "Poe's tales possess an almost absolute perfection of artistic form which makes them veritable beacon lights in the province of the short story. Poe's weird tales are alive in a manner that few others can ever hope to be."
