What happens when your secret crush isn't so secret anymore? But after a terrible falling-out with Eric involving a failed restaurant venture and plenty of blame on both sides, I'm back in Port Snow without my best friend and without any direction. But can you guess who's here? Eve. And my attraction to her is as strong as ever. As old feelings rush back, Eve and I find ourselves pulled together, whether we like it or not. Lines are crossed, secrets are kept, and we soon discover that the difference between love and friendship may not be so black and white, after all. My Best Friend's Ex Meghan Quinn 2017-06 When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson. Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer. Boy, was I wrong. Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man. Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs. But with great orgasms, comes great consequences. Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

The Summer Proposal Vi Keeland 2022-01-10 A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. The first time I met Max Yearwood was on a blind date. Max was insanely gorgeous, funny, and our chemistry was off the charts. He also had the biggest dimples I'd ever laid eyes on. Exactly what I needed after my breakup. Or so I thought... Until my real date arrived. Turned out, Max wasn't who I was there to meet. He only pretended to be until my real date showed up. To say I was disappointed would be an understatement. Before he left, he slipped me a ticket to a hockey game a few blocks away, in case things didn't work out on my actual date. I tossed the ticket into my purse and went about trying to enjoy the man I was supposed to meet. But my real blind date and I had no connection. So on my way home, I decided to take a chance and stop by the game. When I arrived, the seat next to me was empty. Disappointed again, I decided to leave at the end of the period. Just before the buzzer, one of the teams scored, and the entire arena went crazy. A player's face flashed up on the Jumbotron. He was wearing a helmet, but I froze when he smiled. You guessed it: Dimples. Apparently, my fake blind date hadn't invited me to watch hockey with him, he'd invited me to watch him play. And so began my adventure with Max Yearwood. He was everything I needed at the time—fun, sexy, up for anything, and only around for a few months since he'd signed with a new team three-thousand miles away. Max proposed we spend the summer helping me forget my ex. It sounded like a good plan. Things couldn't get too serious when we had an expiration date. Right? Though, you know what they say about the best-laid plans.

Heartbroken, Sophie flees to her grandparents' house, where the rest of her boisterous extended family is gathered for the holiday. That's when her nonna devises a (not so) brilliant plan: Over the next ten days, Sophie will be set up on ten different blind dates by different family members. Like her sweet cousin Sara, who sets her up with a hot guy at an exclusive underground party. Or her crazy aunt Patrice, who signs Sophie up for a lead role in a living nativity. With a boy who barely reaches her shoulder. And a screaming baby. When Griffin turns up unexpectedly and begs for a second chance, Sophie feels more confused than ever. Because maybe, just maybe, she's started to have feelings for someone else . . . Someone who is definitely not available. This is going to be the worst Christmas break ever . . . or is it?

Stroked Meghan Quinn 2016-07-16 Reese King: Olympic medalist, underwear model, Greek god. His body is chiseled from rock, sculpted by the weight room, and refined by water. On a daily basis his skin is completely bare for everyone to see, tan and defined, only covered up by a minuscule piece of spandex. There is no denying his sex appeal. I hate to admit it, but I'm head over heels infatuated with him. There is one HUGE problem though. His achingly gorgeous abs, inked up arm, and cocky swagger belong to my boss, the high-profile, reality star bitch from hell and certified heinous human being, Bellini Chambers. What I think is going to be an easy job assisting a glorified wench turns into a cluster f*ck of epic proportions.

30 First Dates Stacey Wiedower 2015-01-10 Erin Crawford is a relationship blogger with a bucket list and a vendetta. After years of horrible luck in relationships, she decides to start a blog called "30 First Dates." Her mission: go out with 30 men before her 30th birthday, all to find a non-jerk in 30 dates or less. As she blogs about her sometimes humorous and sometimes laughably bad dates, she crosses off her bucket list of 30 things she wants to do before she turns 30—and kills two birds with one stone by completing the items on her dates! In fourteen months she skydives, skinnydips, crashes a wedding, travels to multiple cities and lives way outside her comfort zone. The only question is, as her birthday approaches and her list grows smaller, will Erin be able to find love? Or is she destined to be a first-date-only kind of girl?

Speed Date Stephanie Brother 2020-10-09 I thought Speed Dating would be a waste of time, and then my hunky stepbrothers show up with their gorgeous friends Nick and Oscar. I'm mortified: they might think I'm an easy lay or that any of this is my idea. It's not, I was dragged here by my BFF. Seven minutes with each man is long enough to find out that Nick and Oscar are funny, charming, and sweet. Their smiles make me blush. And I'd like to meet them again and get to know them better. It is also enough time to discover my stepbrothers both have the hots for me. Matthew Harris has the decency and good sense to know we must not do anything about our mutual attraction, not when we live under the same roof. However, his twin brother, Luke wastes none of his seven minutes on small talk. He wants to take me home to do the filthy things I've only dreamed of. And I'm tempted to say yes. How can I choose one of their friends when all four men want me? Whatever happens, I don't want to mess up my future career as a respectable children's nurse. I just want to settle down and have a big family of my own someday. SPEED DATE is a sizzling romance with a very happy ever after ending. *A full-length standalone romance. *No cliffhanger. *No cheating.

Co-WRECKER Meghan Quinn 2017-03-17 What do ice cream and Sadie Montgomery have in common? They're both ice cold, but one taste is never enough. I wanted to be friends - I would have even settled for her seeing me as anything but a nerd - but there was no getting through. So just like any hard-headed, red-blooded man out there, I made up my mind. I'd make my coworker fall for me. I'd like to say it was simple, but like every other epic love story, all it took was one drunken night and a lot of naked courage to get the girl. For a moment, at least. Love with a coworker is never simple, especially since Sadie's trying to keep us on the low. Not to mention her persistent ex-boyfriend who won't leave her alone. But I've never been good at giving up, and I don't plan to start now. The whole thing is a recipe for a rocky road, but I plan to eat the whole gallon, no matter how bad the brain freeze.
